

Margin rates, borrowable and marginable securities and discounts list

1. Interest rates in respect of margin loans

The interest rates for loans related to securities listed in paragraph 2 hereof shall be 16,75% per annum for monetary funds and 14% per annum for securities. Where transaction is arranged by us with/through prime broker interest rates charged for loans shall be Key rate of the Central Bank of the Russian Federation multiplied by 1,1 per annum; roll-over fees shall be 10,7% per annum for monetary funds and 7,95% per annum for securities.

The interest rates for loans related to securities listed in paragraph 3 hereof shall be 7% per annum for monetary funds and 7% per annum for securities.

The interest rates for loans related to securities listed in paragraph 3 hereof under tariff plan "BCS Voice Trading" shall be 5% per annum for monetary funds and 5% per annum for securities.

In case you order us to transmit or execute you order for margin trade in securities not listed herein we have the right in our sole discretion to transmit or execute such trade or refuse such transmission or execution. In case we agree to transmit or execute such order, different rates and fees may apply (including but not limited to those referred to in clause 9.2 of the General Terms).

2. Borrowable and marginable securities (MOEX)

The following securities listed on MOEX are borrowable and marginable securities and the following Initial discount and maintenance discount rates shall apply, unless communicated to you otherwise:

Ticker, type of securities	ISIN	Initial Discount		Maintenance Discount
