<sup>2</sup> The additional payment is charged for each ticker (one name of financial instrument) on a daily basis. The additional payment does not depend on a volume of transaction. If during the day the Client opened several times and fully closed the short position on the same share, the additional payment will be charged once per day. For increase of the current short position the additional payment shall not be charged. For transfer of the short position for the next trading day the additional payment shall be charged for each following day till the moment of closing of the short position. In case the commission for short position is more than 1 USD, the additional payment for this short position shall not be charged at all. /

Дополнительная плата взимается на ежедневной основе за каждый тикер (одно наименование финансового инструмента). Дополнительная плата не зависит от объема сделки. Если в течение дня Клиентом была несколько раз открыта и полностью закрыта короткая позиция по одной и той же бумаге, дополнительная плата будет взиматься один раз. За увеличение текущей короткой позиции дополнительная плата не взимается. За перенос короткой позиции на следующий торговый день взимается дополнительная плата и так каждый последующий день до момента закрытия короткой позиции. Если комиссия Брокера за открытие короткой позиции выше 1 Доллара США, дополнительная плата за данную короткую позицию не взимается.
